

WEMAC Training Solutions acknowledges some participants may require additional support to complete our courses. We offer a range of different learning and support services to provide participants the adequate support they need to successfully complete our course.

Internal Support Services for Students

Internal support services available to participants on request include:

- ▶ Mentoring sessions for participants undertaking full qualifications;
- ▶ IT support to navigate digital learning material;
- ▶ Learning materials in large print;
- ▶ Consultation with WEMAC Training Solutions Trainers and Assessors, and
- ▶ Reasonable adjustment during assessment.

External Support Providers for Students

WEMAC Training Solutions provides participants with a list of local external support services that may assist in a variety of ways. These services may incur a cost to the participant which varies between service providers. WEMAC Training Solutions advises participants to contact the appropriate external service prior to booking their course to discuss support options, so that any suitable recommendations can be proposed prior to enrolment.

Participants are encouraged to discuss any support concerns they may have with an enrolment officer by calling WEMAC Training Solutions on 08 9787 9554.

WEMAC Training Solutions reserves the right not to proceed with an enrolment where an individual's support needs may exceed our capability or may impact on the safety of the participant or others.
